1. The first of these is the fact that the majority of the population of the United States is now living in urban areas. This is a result of the process of urbanization, which has been going on since the beginning of the 20th century. The population of the United States has increased from about 100 million in 1900 to over 200 million in 1950, and the majority of this increase has been in urban areas. This has led to a concentration of population in a few large cities, which has in turn led to a number of problems, such as overcrowding, pollution, and traffic congestion.

VII.

The Society will employ no Clergyman on Missionary services, without the Bishop's license and appointment, and will submit its choice of Divinity Scholarships to his Lordship's approbation.

VIII.

The Society will circulate no Books which are not in the catalogue of the Society for Promoting Christian Knowledge, except such as the Bishop shall approve.

IX.

It shall be competent to any Member of the Society to limit his subscription to any one or more of the objects above recited, which he may be most anxious to promote.

XV.

For this purpose the Missionaries and Lay Deputies shall meet in General Committee on the two days, or more if need be, previous to the Anniversary Meeting, to make the annual appropriation of the funds of the Society.

XVI.

The Executive Committee shall meet either at Fredericton or Saint John, on the first Wednesday in January, on the day after the Annual Meeting, on the first Wednesday in March, on the first Wednesday in June, and on the Wednesday after the first Tuesday in October.

For this purpose the Missionaries and Lay Deputies shall meet in
General Committee on the day or more if need be, previous to
the Annual Meeting of the Association.

PRAYERS OF THE SOCIETY.

BEFORE THEY COMMENCE BUSINESS.

Prayer. O Lord, in all our doings, with Thy most gracious favour; and
further us with Thy continual help; that in all our works, begun, continued,
and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy
obtain everlasting life, through Jesus Christ our Lord. *Amen.*

O God, from whom all holy desires, all good counsels, and all works of piety
and charity do proceed, we beseech Thee to visit with Thy favour our Sovereign
Lady Queen Victoria; and so rule her heart that she may in all things seek
Thy honour and glory. Prosper with Thy blessing the designs of this Society.
Comfort with Thy grace those benefactors who contribute to its support. Bless
the ministry of Thy servants, the Clergy; the endeavours of all who are engaged
in spreading the knowledge of true religion in the dominions of our Sovereign,
and the labours of those Missionaries who are promoting the same in this
Province. And may Thy Holy Spirit direct all our consultations to the ad-
vancement of Thy Glory and the good of Thy Church, through Jesus Christ
our Lord. *Amen.*

O MERCIFUL God, who has made all men, and hatest nothing that thou hast
made, nor wouldest the death of a sinner, but that he should be converted and
live: Have mercy upon all Jews, Turks, Infidels, and Heretics, and take from
them all ignorance, hardness of heart, and contempt of Thy Word; and so fetch
them home, blessed Lord, to Thy flock, that they may be saved among the rem-
nant of the true Israelites, and be made one fold under one Shepherd, Jesus
Christ our Lord, Who liveth and reigneth with Thee and the Holy Spirit, one
God, world without end. *Amen.*

Our Father, which art in heaven, hallowed be Thy name. Thy kingdom
come. Thy will be done in earth as it is in heaven. Give us this day our daily
bread. And forgive us our trespasses as we forgive them that trespass against us.
And lead us not into temptation; but deliver us from evil: for thine is the king-
dom, and the power, and the glory, for ever and ever. *Amen.*

WHEN THE BUSINESS IS ENDED.

The grace of our Lord Jesus Christ, and the love of God, and the fellowship
of the Holy Ghost, be with us all, evermore. *Amen.*

SAINT ANDREWS.—The Rev. Dr. Alley reports that the Local Committee held their meeting on the 18th December, and with much regret that the contributions are smaller this year than in former years, owing to the almost general distress in money matters, forwards contributions to the amount of £16 5s. 8d. and collections at Sermons to £3 16s. 9d.; making a total of £20 9s. 5d. J. W. Chandler and G. D. Street, Esquires, were appointed the Lay Deputies to the General Committee.

CHATHAM.—The Rev. Samuel Bacon states, on behalf of the Chatham Local Committee, that they view with great satisfaction the continued prosperity of the Society, which cannot, they think, be estimated too highly or supported too warmly by every one. Thanking the Society for the grants made at different times towards their Lending Library, they express their regret that their contributions fall a little short of those of the last year. They are as follows: Missionary Visits, £13; General Purposes, £2; Collections at Sermon, £12 5s. 8d. Total, £27 5s. 8d. The Lay Deputies are J. A. Street and William Wright, Esquires.

KINGSCLER.—Rev. J. Black reports contributions to the amount of £10 19s. 3d., and collections at Sermons to that of £3 5s. 2d.; making a total of £14 4s. 5d., and states that Thomas S. Wetmore, Esquire, M. D., is appointed Lay Deputy.

MCKEON.—Rev. W. N. Bowyer reports that the contributions for the general purposes of the Society amount to £2, and the collection at a Sermon to 16s. 8d. The smallness of the contributions being owing to the inability of the people to do more at present; at the same time he hopes that next year he may be able to send a larger sum. He states that B. Botsford, Esquire, and LeB. Botsford, Esquire, M. D., were appointed the Lay Deputies.

GRAND MANAN.—Rev. G. T. Carey states that he has forwarded contributions to the Lord Bishop for the general purposes of the Society, which amount to £2 5s. 7d., which has been paid into the Treasurer's hands. He has also subsequently forwarded collections to the amount of £1 9s. 8d.

FREDERICTON.—The Venerable Archdeacon Coster reports that the meeting of the Local Committee was held on the 29th December, and the following Resolutions were passed: that in the present unprecedented commercial distress and scarcity of money, it is a matter of thankfulness that God has put into the hearts of the members of the Church to give of their substance, and it encourages the hope that He will continue to bless this Society in the support and extension of the Church in this Diocese. Another Resolution recommends that the Depository of the Society in that place be maintained in a state of efficiency. Contributions are reported as follows: subscriptions in the City of Fredericton, £130 19s. 4d., first Sermon, £8 14s. 6d., second ditto, £23 11s. 10d., collected in Saint Anne's Chapel, £1 18s. 5d.; total, £165 4s. 1d.

Also from the congregation in Maryland, in the same Parish, subscriptions £1 7s. 6d., first sermon 12s. 8d., second do. 11s. 7d.; making in all £5 11s. 9d. Making the total amount from the Parish of Fredericton £170 15s. 10d.

The Lay Deputies appointed by this Committee are the Honorable Mr. Justice Street and Frederick W. Hatheway, Esquire.

CARLETON.—The Rev. F. Coster reports that the contributions for this year will differ somewhat in their amount from those of the last year, and that they are limited to the Widows and Orphans Fund, £10 0s. 6d., Sermon in July £3; total £13 0s. 6d. R. D. Wilmot and S. P. Wetmore, Esquires, are the Lay Deputies.

GAGETOWN.—The Rev. N. A. Coster reports that the contributions amount to £8 6s. 3d., and the collections at semi-annual Sermons to £2 17s. 6d.; making a total of £11 3s. 9d.

UPHAM.—The Rev. W. H. DeVeber forwards his own subscription of £1 10s. and regrets that the short time he has been in this Mission has prevented his taking any steps as yet for the formation of a Local Committee.

SACKVILLE.—The Rev. T. N. DeWolfe regrets that he has not been more successful in obtaining contributions to the Society, but his want of success is owing to the great scarcity of money. The contributions are reported, from Sackville £6 8s. 7d., Dorchester £4 12s. 2d., collections at Sermons, £5 11s. 7d.; total £16 6s. 5d.

SAINT MARY'S.—Rev. W. Jaffrey expresses his satisfaction at being enabled, notwithstanding the scarcity of money, to remit to the Treasurer contributions exceeding those of former years. The Committee thank the Society for the grant of Books, and hope they will not be forgotten in the next appropriation. General purposes £9 7s., collections at Sermons £2 3s. 6d.; total £11 10s. 6d.

Contributions for general purposes £22 10s. B. Robinson and S. J. Scovil, Esquires, were appointed the Lay Deputies to represent this Committee.

SPRINGFIELD.—Rev. R. D. Palmer writes that the Local Committee held their meeting on the 1st January. LANCASTER.—Rev. T. W. WESTMORLAND.—Rev. R. Simonds regrets that a comparatively small sum has been collected, owing to the unexampled depression in business and the consequent scarcity of money, notwithstanding a due appreciation of the vast importance of the Society to the Church in this Diocese is daily gaining ground. ANDOVER.—Rev. J. M'Givern returns thanks for the grants of Books to the Church Libraries of his Mission, being of opinion that the diffusion of sound religious and useful knowledge among the rising generation will do much towards the removal of existing prejudices, and solicits a further supply, as also a grant in aid of a Church now in progress at the Grand Falls. He also expresses his determination with God's blessing to exert his utmost efforts in behalf of the Society in the Mission of Saint George's, to which he has been removed. 1s. 7d., making a total of £9 0s. 4d.; and in Burton to the amount respectively of £7 6s. 8d. and £2 18s. 11d., making a total of £10 0s. 7d. These sums, though less than those forwarded last year, are more than he expected to be able to collect, owing to the great scarcity of money. The Committee thank the Society for the grants of Books, and request a further augmentation of their Lending Library. The Lay Deputies for Maugerville are L. H. DeVeber and J. Allan, Esquires; and for Burton they are J. H. Gray and R. DeVeber, Esqrs.

WOODSTOCK.—Rev. S. D. Lee Street forwards some Resolutions passed at a meeting of the Woodstock Local Committee, thanking the Society for the grants of Books to their Lending Library, and requesting a further appropriation to that object; also soliciting a permanent grant of £20 per annum to make up the sum of £70, required for the Curate of Woodstock. The amount of contributions this year are £20 18s. 10d., offertory collection 16th July £4 4s. 9d.; total £25 3s. 7d. Dr. Wetmore and J. M. Robinson, Esquires, are appointed the Lay Deputies from this Committee.

STANLEY.—Rev. A. V. Stewart expresses his sorrow that the amount of contributions is not larger, but the state of the times is such as to make it extremely difficult to get money, however good the cause may be, though the value of the Society is every day becoming more visible, and the people more inclined to consider it a religious duty to contribute towards it. The Committee thank the Society for the grant of Books, and solicit a further supply; and also a grant of £20, being a sum expended by him in 1846 for necessary expenses on the Parsonage House. The contributions are as follows: Subscriptions £8. £8 12s. 9d., sermon £1 1s. 3d., sale of Books £1 2s. 6d.; total £10 16s. 6d. C. H. Rice, Esquire, and Captain R. D. James, were appointed the Lay Deputies.

QUEENSBURY.—Rev. H. W. Tippet reports the completion of a Church, for which a second grant was made, and that no progress has yet been made in the erection of the Parsonage House, or in the Church No. 2. The grant to this Church having become void, he solicits a renewal of it. He also solicits a further grant of Books. Contributions reported as amounting to £3 19s. 5d.

SAINT STEPHENS.—The Rev. Dr. Thomson reports that at a meeting of the Local Committee on December 23d, some Resolutions were passed expressive of the continued confidence in the Society's management of its funds, and approval of its benevolent objects; and of regret that the commercial distress of the place disabled the people from doing what they would wish in aid of it. He remits contributions to the amount of £6 10s. 8d., and collections at Sermons (one of them kindly preached by the Right Rev. Dr. Burgess, Bishop of Meipe,) to the amount of £8 14s. 4d.; making a total of £15 5s. R. Bayard and C. Wardlaw, Esquires, were appointed Lay Deputies.

SAINT GEORGE'S.—The Rev. S. Thomson states that he is on the point of resigning this Mission, and that he thinks it will be better to wait until his successor arrives before any public demonstration is made for effecting the important object of joining the Society. He promises to give him such assistance as he may require, and has no doubt of something being done in the matter.

SAINT PATRICK.—The Rev. S. J. Thomson writes that he has been enabled to obtain contributions to the amount of £1 19s. This has been done with great difficulty, owing to the deplorable state of the country and the want of money among his people. He earnestly solicits a grant of Books for his Parish.

HAMPTON.—The Rev. W. W. Walker reports that the contributions amount to £18 12s. 7d., and collections at a Sermon £2; making in all £15 12s. 7d. R. S. Matthew, Esquire, is the Lay Deputy for that Mission.

EXTRACTS FROM THE MINUTES OF THE EXECUTIVE COMMITTEE.

Fredericton, June 7th, 1848.

Read the minutes of the last Meeting of this Committee.

The Report of the Loan Committee having been read—On motion,
Resolved, That the same be received, and entered upon the Minutes.

REPORT OF THE LOAN COMMITTEE.

In pursuance of the powers vested in the undersigned by the foregoing Resolutions, they have had the matters referred to, under their consideration, and beg leave to report :

First. That they have instructed the Treasurer to call upon the persons to whom the funds of the Society have been loaned, to repay with interest immediately on the same becoming due, to the Treasurer of the Society ; and in case of the borrowers wishing to continue their loans, to give unexceptionable landed security for the same, with power of sale : which the Treasurer has promised to do without delay.

Secondly. The undersigned beg leave to suggest the following scheme for loaning the monies of the Society, so long as the Society remains unincorporated, viz. : that a Loan Committee of three persons be appointed; Members of the Church Society, whose duty it shall be to loan all monies of the Society, from time to time directed to be appropriated in that way.

Thirdly. That such Committee loan the said monies in their joint names, by bond and mortgage, with power of sale in case of default of payment of interest or principal, agreeably to the terms of the loan.

Fourthly. That the securities thus taken for the monies loaned, be in the names of such Committee as Trustees of the said Church Society, payable to them and the survivors of them, and the heirs and assigns of such survivors, as such Trustees as aforesaid, with a covenant in each mortgage to the Bishop of the Diocese for the time being by the said Trustees, in behalf of themselves and the survivors of them, and the heirs and assigns of such survivors, that they or the survivors of them; or the heirs and assigns of such survivors, do and shall hold such bonds and mortgages, and all monies received thereunder, for the sole use and benefit of the said Society, and subject to such orders and directions of the said Society as shall from time to time be made by the Society or the Executive Committee thereof, and agreeably to the Rules and Constitution of the said Society for the time being; and

further, that when and so soon as the said Society shall be incorporated (should the same at any future time be incorporated) by Act of Assembly, by Royal Charter, or other means, that they the said Trustees, their survivors, and the heirs and assigns of such survivors, shall and will immediately, on being so directed by the Corporation, transfer the said mortgages and securities, and all monies that shall be in their hands, to the said Corporation, or to such purposes as the said Corporation shall direct.

Fifthly. That a Solicitor to the Society be appointed, whose duty it shall be to see that the Securities for the monies to be loaned, be properly and legally drawn up, and taken agreeably to the plan or scheme agreed upon by the Executive Committee.

Sixthly. That one of the conditions of all loans by the Society shall be, that the Borrower shall pay all the professional expenses incurred in preparing the securities for the loan.

The undersigned also beg leave to report, that after giving the respective applications of J. F. W. Winslow for a loan of £100, Thomas Wright for £70, and the Carleton Corporation for £400, full consideration, recommend that Mr. Winslow's application be complied with. But the Committee cannot recommend compliance with that of Mr. Wright upon the security offered; nor the application of the Carleton Corporation, for the following reasons: 1st. That the security offered is in part, upon Glebe lands and in part upon lands belonging to the Corporation of St. George's Church, Carleton; that in respect to the Glebe property, the Committee are of opinion that the Corporation have no power to incumber that property beyond the incumbency of the present Rector, that the Glebe would not be bound by such incumbrance in the hands of his successor. 2d. That the Committee doubt the legality or even propriety under any circumstances of loaning money upon the Church Corporation property, especially for a large sum, inasmuch as the parties composing such Corporation cannot be personally bound: it must be therefore merely Corporation property to which the Society can look for repayment of the interest or principal; and to proceed to extremities against Church Corporation property in case of need would be invidious, and might not only be injurious to the Society but to the Church.

All which is respectfully submitted.

J. A. STREET,
B. WOLHAUPTER, } Committee.
G. J. DIBBLEE.

THE BISHOP takes this opportunity of suggesting to the Clergy, that as much difficulty has been found in sending the winter collection for the Church Society, in time to be inserted in the Report read at the Annual Meeting, he thinks it might be desirable to preach the two Sermons in behalf of the Society, in the early part of June and in the middle or latter part of October, by which means the contributions made each year would be kept perfectly distinct. Should this arrangement be found to be attended with unforeseen inconvenience, it may be altered hereafter; but the Bishop thinks it quite worth while to make the trial for this year. The Bishop desires to impress on the minds of all the Clergy, especially on those whose Parishes are largely assisted by the benevolence of the Church Society, the duty of exerting themselves to promote its objects, for its grants have always been given to meet and call forth local resources. There can be no parish possessing a resident Pastor, where by a little exertion, a local Committee may not be formed, and some contributions obtained.

Frederickton, February 19th, 1849.
